Young, E. L., **Nelson, D. A.**, *Hottle, A. B., *Warburton, B., & *Young, B. K. (2010). Relational aggression in schools. *Helping children at home and school III: Handouts for families and educators*, published and distributed by the National Association of School Psychologists.

This article is an updated and abbreviated version of the Young, E., Boye, A., & Nelson, D. A. (2006) article. It was selected for inclusion in "Helping Children at Home and School III: Handouts for families and educators," which is the latest edition of the most popular resource available from the National Association of School Psychologists. This peer-reviewed publication is described online as a resource that "includes over 250 handouts on issues affecting children's learning and behavior. An essential resource for busy school psychologists and other professionals working to help children and youth achieve their best."
