Research and Teaching Interests

Research: In line with two of the grand challenges for social work outlined by the American Academy of Social Work and Social Welfare, I seek to *close the health gap* and *ensure healthy development for all youth* by studying the physical and mental health disparities of underserved adolescents in Mexico and the US

Teaching: Research Methods; Statistics; Practice Evaluation; Generalist Social Work Practice

Community Evaluation Projects

Each year I mentor 40 students as they conduct program evaluations with community organizations. These are projects that address issues such as including client outcomes, employee satisfaction, community needs, and program effectiveness. On average we conduct 10 projects a year, which include collaborations with agencies like Alpine School District, Intermountain Health Care, UT Dept. of Corrections, Wasatch Behavioral Health, ScenicView Academy, and others.	2018 - present
